DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: Prior art discloses electronic safety system, for the avoidance of an overspeed condition in the event of a shaft failure by detection of the shaft failure and subsequent interruption of further energy supply to the shaft comprising optical sensor to sense the operation of the shaft as well as the mechanisms to avoid the overspeed condition. Prior art, however, does not disclose at least one measuring light guide, which extends longitudinally along the shaft and which is attached to and co-rotates with the shaft, the at least one measuring light guide having a light inlet side constructed and arranged to receive an input light and a light outlet side constructed and arranged to output the input light.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tony Ko whose telephone number is 571-272-1926. The examiner can normally be reached on Monday-Friday 7:30 - 4:00.
